

UNDECLARED &/OR INTERESTED IN HEALTH EDUCATION MAJOR?

Below are a list of health education classes* open for all students regardless of major or minor

All students interested in applying to the major must attend an information session that are only held during the fall semester. An overview of the Health Education major program, requirements and expectations will be presented and an application to apply to the major will be distributed after the information session concludes. Information session dates and links to RSVP can be found on our department event website.
